

WorkKeys Testing for Paraprofessionals

Pikes Peak BOCES offers testing for paraprofessionals through the ACT Workkeys. The tests are given to individuals at the BOCES office. There are three tests you will need to take: Applied Mathematics, Workplace Documents, and Business Writing. You will take the tests on a computer and receive the results for the Math and Reading at the time of the test, and the Business Writing 1-3 days after the test completion.

Preparation:
